CARE360

You will be paired with a professionally certified Career Coach to receive a career support package, personalised to your needs.

CAREER CATALYST

Assess your strengths and skills

Get on the right career track with professional, one-on-one advice from a Career Coach. Our Career Coaches are trained to provide you with in-depth analyses of your career needs to steer you in the right direction.

CAREER ENERGISER

Differentiate yourself using proven strategies

Upgrade your job search capabilities with our career workshops. Craft a unique resume, leverage on social networking platforms, and role-play the interview process to give you the skills and confidence to land a job.

CAREER ACTIVATOR

Gain insights into the work environment

Tour the hiring company's work environment before you decide to take up the position. Evaluate your career decision by familiarising yourself with the company's culture, job requirements, and progression opportunities.

CAREER RECHARGER

Stay motivated during your job search

The job search process can be a stressful one. Learn to manage it and avoid burn out with our personalised one-on-one career counselling. Our certified professionals can guide you to understand your stressors and equip you with effective coping strategies to become more resilient.

CAREER 360

Network to improve your chances

Match your talents to the right company through curated networking events. Our events bring in leading experts to share on the industry outlook and hiring trends, making the job search process better for you.
