

## SGUNITED TRAINEESHIPS PROGRAMME FACTSHEET FOR TRAINEES [FOR PUBLIC INFORMATION]

### **About SGUnited Traineeships Programme**

The Ministry of Manpower (MOM) and Workforce Singapore (WSG) have introduced the SGUnited Traineeships Programme to provide fresh graduates from Institute of Technical Education, polytechnics, universities and other educational institutions with traineeship opportunities across various sectors.

The SGUnited Traineeships programme aims to provide up to 21,000 traineeship opportunities, typically lasting up to 9 months, to those who have recently graduated or will soon be graduating. This will help them develop industry-relevant skills, notwithstanding the current economic climate, and boost their employability in preparation for the eventual recovery.

### **Benefits**

Trainees will be able to gain valuable industry experience and gain a firmer foothold in the job market when the economy recovers. Trainees will receive a training allowance for the duration of the traineeship, which is co-funded by the Government and the host organisation.

### **Funding Rates**

The Government will fund 80% of the training allowance, while the host organisation funds the remaining 20%. The monthly training allowance provided to each trainee may vary depending on the Traineeship Scope, based on traineeship requirements as below.
