What is the overall employer's flow for CCP Enterprise?

Employer Status Flow

Quick Tip: Endorsing Applications

- Once an invitation status is 'Application Submitted', applicants will see their application status as 'Submitted' and is currently undergoing processing.
- If an invitation status is **'Endorsement Rejected'**, applicants will see their application status as **'Not Endorsed'**. A new invitation is required by you if the applicant wants to apply again.

How do I endorse applicants?

Follow these easy steps below!

Notified of Application Submission

Once an invited applicant has sent in their application successfully, you will receive an automated email to inform you to endorse the application accordingly.

Step 02

Endorse Application

A invitation status with 'Need Endorsement' requires action from you.

To endorse the application, under Action, select 'Endorse'.

Endorse

This will change the invitation status to 'Application Submitted'

To reject the application, under Action, select 'Reject'.

Reject

This will change the invitation status to 'Endorsement Rejected'.

And You're Done!

How do I update my vacancies? Follow these easy steps below!

Update Vacancies

This will help Programme Managers to allocate applicants.

Under the 'Vacancy Management' table, enter in the Vacancy number and

Vacancy Expiry via a date picker.

You are able to update multiple programmes at one go.

Click 'Update Vacancy'.

And You're Done!

Quick Tip: Managing Vacancies

- Vacancies numbers are purely indicative as a zero vacancy does not prevent further placement.
- Do note that upon the date of Vacancy Expiry, the vacancy will be updated to zero automatically.
