

FACTSHEET ON NEW PART TIME RE-EMPLOYMENT GRANT

(I) ABOUT NEW PART-TIME RE-EMPLOYMENT GRANT

BACKGROUND

1. The Part-time Re-employment Grant (PTRG) was first introduced as part of the Senior Worker Support Package in 2020 to support employers in implementing the key recommendations by the Tripartite Workgroup on Older Workers, and ceased on 31 Dec 2022.

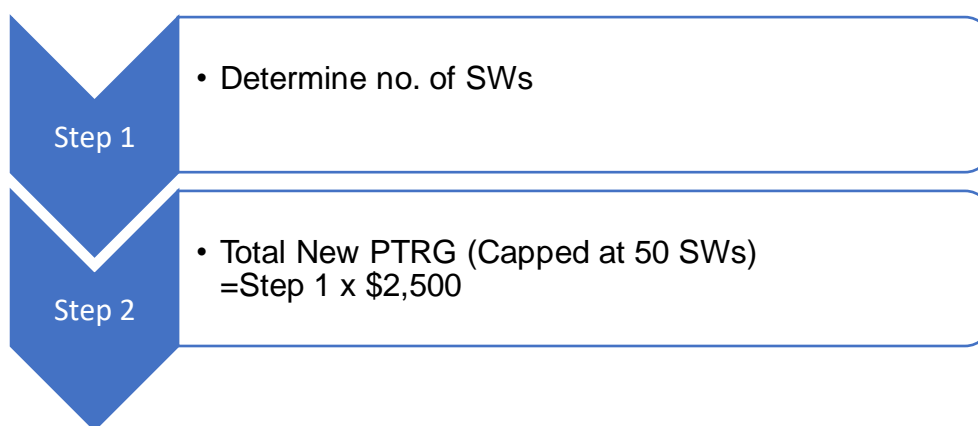

2. The New Part-time Re-employment Grant will incentivise employers to offer part-time re-employment, other flexible work arrangements (FWAs) and structured career planning (SCP) to senior workers through its revised eligibility criteria. This will provide more flexible work options to attract and retain senior workers as well as support their career longevity. Applications for the new PTRG will reopen in April 2023.

NEW PART-TIME RE-EMPLOYMENT GRANT (UP TO \$125,000 PER COMPANY)

Grant Construct and Computation

Employers that meet the criteria will be eligible for funding of up to \$125,000 per company, based on \$2,500 per resident senior worker (i.e. ≥ 60 years). The total eligible funding will be capped at 50 senior workers per company.

There are 2 steps (as depicted below) in computing the New PTRG quantum each employer is eligible for.

(II) WHAT DO EMPLOYERS NEED TO DO TO QUALIFY FOR NEW PTRG FUNDING?

3. To qualify for the New PTRG, companies will need to have at least 1 senior worker aged 60 years and above at the point of application and claim. Companies also need to fulfil all the following to be eligible for claims, if they have not previously received the PTRG:

- (a) Provide part-time re-employment opportunities to eligible senior workers who request for it
- (b) Adopt Tripartite Standard on Age-Friendly Workplace Practices [go.gov.sg/ts-age-friendly]
- (c) Adopt Tripartite Standard on Flexible Work Arrangements (FWAs) [go.gov.sg/ts-fwa]
- (d) Offer FWAs to employees as part of HR policy
- (e) Implement SCP for mature and senior workers aged 45 and above as part of HR policy
- (f) Send one senior management and one HR practitioner each to attend one session of a fully-funded SCP workshop for senior management and HR practitioners respectively conducted by Singapore National Employers Federation (SNEF)

4. Employers that received the part-time re-employment grant may subsequently be unable to fulfil their commitment to provide a part-time re-employment role to SWs who request for it. In these instances, they will be obliged to pay an Employment Assistance Payment to the affected SW.

(III) HOW CAN EMPLOYERS APPLY FOR NEW PTRG?

5. All employers can apply for New PTRG if they are legally registered or incorporated in Singapore and have not successfully claimed for PTRG before.¹ This includes societies and non-profit organisations such as charities and voluntary welfare organisations. Governmental agencies, statutory boards and other organs-of-state are not eligible.

¹ This includes the previous tranche of PTRG based on the application period of 1 Jul 2020 to 31 Dec 2022.
