

SUPPORT FOR JOB REDESIGN UNDER PRODUCTIVITY SOLUTIONS GRANT

The Support for Job Redesign under Productivity Solutions Grant (PSG-JR) encourages enterprises to work with pre-approved Job Redesign (JR) consultants to redesign work processes, tasks and responsibilities. JR can support business transformation, help make jobs more productive and attractive for employees, and benefit enterprises by allowing them to hire and retain good workers.

Singapore National Employers Federation (SNEF) has been appointed as the Programme Manager to administer PSG-JR, and the list of pre-approved JR consultants can be found in [GoBusiness Gov Assist](#).

The pre-approved JR consultants will assist enterprises in the following:

Scope and develop

proposals for PSG-JR

Implement

the PSG-JR project within one year and ensure that the committed deliverables for the project are met

Benefits

Through JR consultancy support, enterprises can:

- Optimise** manpower and work processes
- Reinvent** jobs that may become obsolete
- Make jobs **more productive & attractive** for workers

✓ UP TO
70% funding
for consultancy services,
capped at \$30,000 per
enterprise

Funding Support

How to Apply

Enterprises can submit their application through the [Business Grants Portal \(BGP\)](#). Please note that each UEN can only have one approved PSG-JR application.

For BGP step-by-step guide, click [here](#).
